Bananas, Grapea and Pears et Bro's-delicions.

Fresb Oysters to-day and the bala of the week at Carson Bros.

Patronise the new Gross tres, -old Gnenther stand.

### Losing Flesh

You naturally lose flesh in the summer and running down is so easy. You get a little weaker each day without hardly noticing it. There is loss of appetite, headache, weakness of the muscles, disturbed sleep, weakness of memory, and these are the beginning of nervous prostration. Iron and tonics and bitters may afford some temporary relief, but what you need is a food for body, brain and nerves.

### Scotts Emulsion

of Cod-liver Oil with the Hypophosphites, furnishes just the nourishment needed for those who are run down and pale and thin and weak. If you lose flesh in summer take Scott's Enul-aion now. Don't wait till fall or winter before beginning.
